## • TASTING NOTES & AWARDS

**Vinous-Neal Martin** 90 «The 2021 Beauvillage has quite a dense bouquet,a bit heavy on the oak perhaps,but there is decent fruit concentration here.The palate is medium-bodied with a pliant entry,a very harmonious mid-palette and a caressing,silky finish that will put a smile on your face,it’s worth seeking out. »

**James Suckling** 90 « A firm and juicy red with medium body and a solid core of fruit. Citrus and dark chocolate. Well done for this estate in this vintage.
